## OF THE MORGAN PARK HIGH SCHOOL

## A TRIBUTE TO THE STUDENTS

Taking its place in the limelight this year is Morgan Park's student body. At the end of an outstanding year, there are numerous accomplishments for which the student body justly deserves a "pat on the back."

During the first part of the year, all eyes were focused on the gridiron. The team came through with only two defeats of the entire season. Mid-winter saw a successful production of the dramatic club. The Student Association membership reached a new time peak of 1700. Throughout the school year new ideas brought improvement to the school newspaper. With spring came the annual rose sale which climaxed a bigger than ever clean-up drive. Topping off semester exams, the senior prom proved to be a gala occasion for class-weary students. Accomplishments in baseball and basketball were outstanding. In May the school year was brought to a most successful close by the musical production.

This typifies the spirit of Morgan Park students, doing their best in all they undertake, undaunted by defeat, elated with victory, and happy in all they do—outstanding in a new generation. Congratulations, students, for a most successful school year!

Parents and teachers are given every opportunity to broaden their horizons, and the Faculty is doing all in its power to assist students in their paths. Both parties are invited to participate in the operation of the various clubs.

The Parent-Teacher Association, a branch of National Education, has been founded to help parents of boys and girls in securing the best education. With an eye to the welfare of the children, it has been inaugurated by which parents receive valuable advice and guidance in their efforts. The greatest effort is being made by the faculty to understand the home situation and to dual through the Parent-Teachers' Association. Open house is maintained to acquaint the parents with their children's progress.

In return for this vast interest each individual does his best to get the utmost out of his school life and to develop extra-curricular interests.

## OUR LEADER SPEAKS

IN the dedication of Emphei year ago, it was said that  
has been given in the past to principles and ideals of the  
faculty. It is only fair that now the student body should  
be dedicated to the students themselves. We are members of  
the school community here in Emphei. It is our duty to be  
maintained solely for the sake of the community and to fulfil  
the duties of good citizenship. The student should be the first  
element in all school work. He should be the first to help  
all the other students in their work. He should be the first  
to help his mother and his father in their work, and  
he should be the first to help his wife in her work. In  
**the name of the Morgan Fox Foundation** we say to  
the students some measure of success every year and  
to the Administration, "Good Work!"

Below thy years of youth may thy days be filled  
with the love of thy friends and the pleasure of thy work.  
If thou art a man of God, thy days will be filled with  
joy; if thou art a man of the world, thy days will be filled  
therefore with pleasure. If thou art a man of God, thy  
days will be filled with joy; if thou art a man of the  
world, thy days will be filled with pleasure.

### CAPTAIN G. G. LORENTZ

THEIR STRENGTH IS IN MIGHT, THEIR DOWNS IN YOUTH,  
THEIR SPLENDOR IN THE COLOURS OF THE SUN, THEIR  
VICTORY IN THE SWIFTNESSES OF THE WIND.  
THEY ARE THE BRAVE, THE BRAVE ARE THEY;  
THE BRAVE ARE THEY, THE BRAVE ARE THEY;  
THE BRAVE ARE THEY, THE BRAVE ARE THEY;  
THE BRAVE ARE THEY.

Many a tree has indeed crept along, its wheels have scuttled  
over the earth's surface.

After a course of three months' hard understanding, he is indeed  
a true friend.

## THE FEBRUARY GRADUATES

AS USUAL many students find themselves in a whirl during the month of February. At the head of the activities was Ben Clarke who conducted it efficiently, assisted by Florence Barry and Ethel. After a minute taking and a minute writing every letter was sent while Walter Henderson took care of the telephone.

The students from the Kroc Center Hotel invited the members of the Faculty to a social meeting which was very successful. The chairwoman was Dorothy Goss and her Friends.

On Saturday evening there was a program at the class banquet held in the Kroc Center. Emily Chapman of the entertainment committee, Mrs. Mary Ann Clegg, Winters and Nancy Story were the performers. Miss Winters further entertained us with a solo on the piano. Dorothy Goss was the chairwoman of the program.

After the program, Mrs. Mary Ann Clegg, chairman of the committee decided to have a winter fashion show. In the hall, Mrs. Mary Ann Clegg was seated in a chair, selling announce-ments. Mrs. Ruth Venner and Linda Nelson were among the models.

At the end of the fashion show, Dorothy Goss, chairwoman of the faculty, agreed to have a drawing for a \$10.00 gift certificate to the Kroc Center.

## FEBRUARY WHO'S WHO

VIVACIOUS Ruth Burnet is an excellent example of a scholar and an executive. Her long list of extra-curricular activities include membership in the National Honor Society, seven semesters in Tau Epsilon, French Club, Quilpen, Town Meeting, Latin Club, but we could go on forever as Ruth has certainly been very active and efficient.

Fred Minuth, athlete, scholar, and executive, has worked hard to obtain the many honors which he may now claim. One of Empehi's most outstanding athletes, "Fritz" was captain of the 1939 football team. His other activities include membership in the National Honor Society, Tau Epsilon, Student Court, and Inter-class Council. Success will always follow "Fritz".

Chosen by her senior class as the most popular and best-looking girl, Florence Barry was also vice-president of her class. Her ability to work won for her many positions. Her cheerfulness and pleasant personality make one want to call her "my friend". These and other valuable characteristics will assure her a successful future.

Because of his reputation of being an excellent leader, Ben Clarke received the honor of becoming the president of his graduating class. He distinguished himself scholastically by being a member of Tau Epsilon for four years and a member of the National Honor Society. He will always be remembered for his alertness, efficiency, and courtesy.

### J U N E W H O ' S W H O

DICK MILLER combines the abilities of high scholastic standing, athletic prowess, and leadership. He is a member of the Executive Committee, on the baseball and basketball teams, and holds the position of "his royal highness," King of Empehi.

Patsy McCune is a girl of unusually grand personality. She has been active as second vice-president of the Student Association and as head of the Social Committee. Her ability as a leader will bring success to her in everything that she shall undertake in the future.

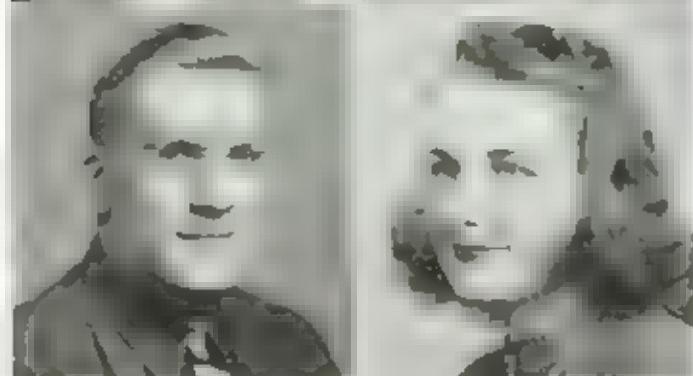

When leadership, scholarship, dependability and friendliness are mentioned at the same time, one immediately thinks of "Bud" Tozer. Being forced to give up sports because of an injury resulting from football, Bud centered his efforts on curricular activities and scholarship.

Smiling, efficient, Barbara Mulberry has been very active during her four years at Morgan Park. It was a pleasure to work under her. The A.Y.L. had a successful year with Barb as president, and the vice-presidency of the senior class was another of her many well done jobs. With her ability, Barb will go far.

## JUNE HALL OF FAME

## ★ S O C I A L - C I V I C R E L A T I O N S H I P S

THE activities at Morgan Park are open to all students. For many years the students have gone out for the different organizations with great zest. The person who doesn't excel in sports or "the arts" may develop leadership in other things. The meek person who sits beside you in your second period class may be the leader in a club or play. These activities help to bring out the best in the students of the pupils, build character, and instill a sense of pride. Organizations are fun; they not only encourage friendships between the faculty, but also among the students. Who doesn't, in some small way, like to participate in the spirit of a group accomplishing something and in it be partly responsible for its success. Everyone has his own idea about which organization, of the many, he wishes to join. Credit should be given to the various officers for the efficient way which they have performed their duties this past year. Another group to be thanked are the members. Their co-operation has meant the success of all organizations.

### THE STUDENT ASSOCIATION

NEVER in the history of Lyman Hall has the S. A. had a membership of 1700. This year's activities were under the direction of Bud Lauert, president; Fay Trolander, first vice-president; Patsy McCune, second vice-president, and Bob Tamm, publicity manager. Other officers included Freda Gandy, secretary; Betty Bell, Student Court chairman; Dick Miller, Athletic Commissioner; George Stearns, Annual editor; Ruth Burnet and Fred Hobbe, fall and spring semester Editors. News editor was Harry Robert Rantz headed the Protection Patrol. The new members, Virginia Coburn and Roberta Rantz, joined in the spring.

This year the Student Association presented an unusually large free entertainment program which included moving pictures, a night football game, "All-Sports Night", a hypnotist, variety shows and many others.

This year the Student Association stepped from its usual operations in organizing the Protective Patrol to protect the neighborhood on Hallowe'en night. This venture was so successful that it is now the permanent part of the Student Association.

### STUDENT COUNCIL

The Student Council, consisting of all division chairmen, composes a committee to handle student government. The chairman of the Student Council is a president, Bud Johnson, and the faculty advisor is G. L. Tracy. A motion or resolution must first be passed by the Student Council before they may go into effect.

The Student Council consists of the chief justice and five associate judges, Tracy, F. H. Murphy, J. W. Miller, G. L. Tracy, who are duty bound to see that justice is done. The court is not organized to deal out punishment but obtain the co-operation of the student body in the observance of rules.

Under the secretary, treasurer of the S. A., Robert Telander, is a committee whose duty consists in collecting all S. A. dues and keeping a record of the same.

A social committee made up of the Interact Club, the P. T. A. and the Student Council, is responsible for the social activities of the school. The social committee is headed over by the president and vice-president of the S. A. Party. M. J. Williams in charge of all class parties.

The P. T. A. Committee is composed of about forty students who are appointed to handle various activities of the S. A. Party's, promoting the P. T. A. and its various projects. It is the task of care of by the P. T. A. Committee.

### A CAPPELLA CHORUS

#### OFFICERS

Bud Tozer  
Betty Headland  
Virginia Brantley  
Bill Pugh

THE A Cappella Chorus, under the able leadership of Mrs. Betty Headland, is in its sixth year as an organization of Euphoni Club students. It is a non-auditioning musical organization which has found a definite place in the school's activities.

Any student who has completed, with credit, two semesters of music, is eligible for membership in this organization. There were more than one hundred young people who enjoyed the pleasure of the A Cappella Chorus during the past year.

On the day before Christmas, the girls kept up with the Euphoni tradition, the A Cappella Chorus and the Girls' Glee Club participated in the Christmas assembly. They also sang numerous Christmas carols in the halls of the building throughout the month of December. Their first presentation with the other Euphoni groups was at the annual presentation of the Euphoni Student Government Association.

The officers for the new year are: Forest Tozer, president; Betty Headland, vice-president; Jean Lidster, secretary, and Robert Ziegler, treasurer. During the spring semester were Virginia Brantley, president; William Pugh, vice-president; Mary McCallister, and Forrest Tozer, treasurer.

### ANNUAL STAFF

#### OFFICERS

George Stearns  
Forest Tozer  
Bud Tozer

THE Euphoni staff for the 1940 annual was the same as last year. The staff included George Stearns, managing editor, and Mrs. Emily Bellia the faculty adviser. Other members were: Bill Stearns, writer with Bill Pugh and Bert K. Miller, designers; Beverly Akers, Literary editor; Forrest Tozer, Art editor; Don Wieden, Business man; and L. K. Dinkins, Advertising manager and Jerry Mordue, Photographer.

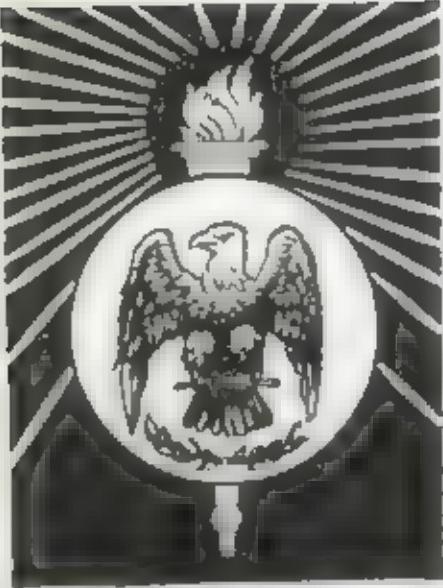

For the first time in the school-camera contest, was a contest for the best individual pictures for use in the annual. Bert K. Miller and Betty Headland, two of the staff's most popular members, were the winners. Their photographs may be featured in the book.

The purpose of the annual is to present to the student body a record of the various school activities. The many individual photographs help to make this informal atmosphere. The book will be put out the book.

The staff extends hearty thanks to its members for their fine co-operation, and hopes that the book may benefit by their efforts.

ONE of the major goals of American Youth League is to help Dr. Tolson in his efforts to make our country safe from Hitler. Mr. Edward Meyers and Miss Arlene Johnson are the new officers. They are determined to continue the organization's work in the field of education, to help to make its members defenders of democracy.

The five objectives of the organization are: 1. Educate and train young people. First, to instill appreciation of our country as American citizens. Second, to acquaint us with our responsibilities as citizens. Third, to encourage our participation. Fourth, to assist in social goodwill and understanding. Fifth, to bring high school students together in other American Youth League units.

The activities this past year include a panel discussion by A.Y.L. members at the neighborhood grade school, speakers' meetings, as well as lively programs, the sponsoring of a radio show, a very theater, and the selling of A.Y.L. pins. But the Military president Jerry Mordue, vice-president; Bud Tozer, military; Lorayne Teninga, treasurer, and the cabinet members of the league have done their best work.

IN LOOKING further year the Botany Club has planned its program with several activities. These include a picnic, a spring flower show, and a fall flower show.

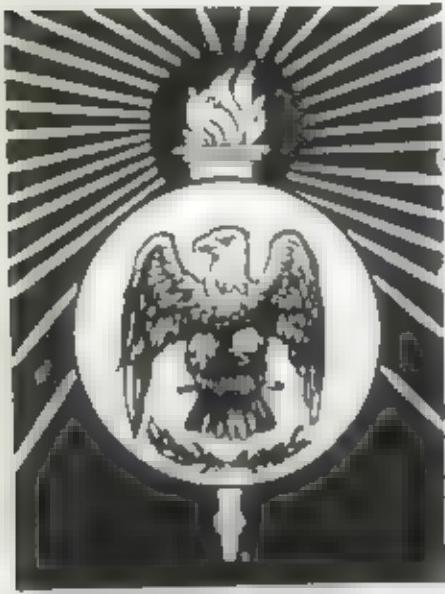

First activity in October will be the Fall Flower Show. This will be held at the Garden Park Inn in the City Show Room. We are already in contact with their sponsor, Miss Lawrence M. and will be in touch with them. We will also have a post card and a poster. We will try to draw her interest and help prepare for the late November. The highlight of the year will be the annual flower show in the spring. This will be the Spring Flower Show.

Last year the very active year, Mrs. Lund was president during the year. Her first term was succeeded by Betty Barr as president, and Mrs. Lund as secretary; and Dorothy Farnham as treasurer. Other members were in Gunilla, Mary, and Mrs. E. and Mrs. Marionne Farnham.

ONE of the most active organizations in the school is the Commercial Club. The club was organized in nineteen hundred twenty-nine by Mrs. Ruth Schachtle, business manager of the club. The club has a three-fold purpose: to render service to the school through the Students' Exchange; to furnish commercial work to any teacher or club; to give the students a broader aspect of the business world and to provide more social life for upper class students.

A student's ticket to all commercial subjects and belonging to  
Mr. Student Association President is on loan. The club has been  
elected Mr. Club President: Miss W. G. for the last  
two years.

The officers of the club are as follows: President, W.H. [redacted]; Vice-president: Howard Hunt; vice-president; Beatrice [redacted]; Secretary E. Fashbaugh, treasurer; John Ulrich, [redacted]. ## EMPEHI NEWS

AND THE year has passed rapidly, with the exception of the *Empehi News*, which has been suspended. The students of Morgan Park high school, the best in writing, have done well.

I am pleased to say Ruth Burnel has edited the editor's page well, Fred L. Weir is the associate editor. Fred Weir is a good writer and I enjoyed the able work of Helen Tracy, the assistant editor. Aided and abetted by her sponsor Mrs. Anna Brunnin, the staff did well indeed in putting the paper up to satisfy their readers.

A member of the National Press Association, the *EMPEHI NEWS* was representative at the annual meeting held in Chicago last November. In March, 1940, the paper had its first sporaneous and submitted a contest in visual writing to theiment of the Greater Chicago Press Guild.

## RELATIONSHIPS

April saw six representatives of the annual Media Center come in Evanston. During both semesters, two staff members conducted a newspaper roundtable on the McKinlock campus of Northwestern University.

Numerous pictures, cartoons, crossword puzzles and other items as well as an ever improving style in make-up contributed to THE STUDENT SECTION of the weekly. A reduction in size was made in order to save space and to allow for an increase in the number of issues. Greater interest was stimulated by the insertion of puzzles carrying topical information.

The staff was headed by Derry Marie and business editor under the sponsorship of Mr. Dorothy Gandy.

THE Human Relations Service Guild was organized in the fall of 1938. The membership at that time was composed of students of the Human Relations classes. Since that time, however, the constitution has been amended so as to include any student interested in service work.

The organization is, to a certain extent, divided into seasons or semesters. The fall semester is composed of the Thanksgiving and Christmas drives. This spring the organization sponsored a sale of Easter seals to benefit the poor. With this one exception, the meetings were like those of any other club, including social meetings, and trips to various places of interest in the city.

Future plans for the Human Relations Service Guild are a variety show, a student talent performance at Thanksgiving, and also the organization's participation in Red Cross work in the school.

In February of this year Mrs. Dorothy Cella, the former sponsor and adviser, found it necessary to resign. Mrs. Harriet Brown undertook the responsibility and has devoted a great deal of her time to the welfare of the group.

THIS year "Sodalitas Latina" celebrated its tenth anniversary. The occasion was the club's annual spring banquet, held on or near April 21, the legendary date of the founding of Rome. The club was organized on April 2, 1930, for the purpose of supporting the class work in Latin literature, life and culture.

This year's theme was the distribution of two hundred Latin alendars at fifty cents apiece to raise the money for the club's hundred dollar scholarship offered each year to the worthiest graduating club member. The Latin Club, together with the band and orchestra, also sponsored a roller skating party at the Skunk Rink on March 25. The club was also the speaker at the pageant of Miss Cora E. Petty throughout the year.

Officers for the semester were Lorayne Lipsker, first consul; Ben Clarke, second consul; Dick Nutt, scribe, and Barbara Williams, quaestor. In the spring the officers were Gerald Smith, first consul; Mary Elizabeth Aldrich, second consul; Marion Feltz, scribe, and Bob Seger, quaestor.

THE Concert Orchestra is under the direction of Captain Guy D. Hartle. One of the chief purposes of this organization is to give students, who play instruments, the experience of playing together.

The Orchestra plays for the student government exercises, assemblies, and meets P.T.A. meetings.

In the spring semester the Orchestra participated in the High School Orchestra contest. The results were not known at time to be published in the Annual. Last year the Orchestra received a shield in recognition of their participation in the contest.

This year the organization sponsored a dance and a roller-skating party, the proceeds of which were used to pay for repairs of new instruments and music.

Officers for the fall semester were as follows: president, Henry Melin; vice-president, Harriet Brown; secretary, Shirley Franz; McDougal; and treasurer, Robert Spierling.

During the spring semester Dick Brashler was president; Ivan Smith, vice-president; Shirley Franz, secretary; and Beatrice Daly was treasurer.

Upon the completion of one year as a member of the Band or Orchestra, a student receives a minor letter in Music.

THE Zoological Club has successfully completed another instructive and enjoyable year under the supervision of Miss Bessie Bell.

Two interesting assemblies were presented by the club. At one of the assemblies a representative from the Academy of Science spoke and at the other, Sam Campbell, a naturalist and lecturer, presented movies of animals.

The annual trip to Turkey Run during spring vacation proved pleasant and instructive, as usual. A good time was enjoyed also at the International Live Stock Exposition.

Regular meetings were held every other Tuesday during the ninth period. Several interesting speakers presented at these meetings included Mr. Hall, who spoke on his hobby of raising bees, and a man from the Society for the Prevention of Cruelty to Animals.

The officers for the fall semester, Molly Abbott, president; Louise Eklund, vice-president; Robert MacGonigal, secretary and Beverly Akenhead, treasurer, set high standards in the performance of their duties. The officers for the spring semester Robert DeRose, president; David Katzmann, first vice-president Alice Wilhelm, second vice-president; June Ekloff, secretary and Beverly Akenhead, treasurer, have done equally well.

A CONGRESS parent-teacher organization has for its purpose the promotion of the education and welfare of the children

and youth.

The original purposes expressed by the founders of the organization 42 years ago are still the aims of the organization today. In the first years of parent-teacher work the promotion of the education and welfare of children and youth was concerned with material needs mainly and took the form of material aid. The trend of today's promotion is to develop public opinion so that each community will meet its own responsibilities.

With that in mind, we of the Morgan Park Parent-Teacher Association particularly stressed the departments in Parent Education, School Education and Student Employment.

Also, this year, we have had the largest membership in the city and the largest number of fathers even though we have the second smallest high school in the city.

The success of our work this past year was made possible through the splendid cooperation of the Board members and supported by the committees, teachers, students and parents.

The Clissold Branch was organized by the Student Association in the fall of the first year. The fall semester of the first year saw the election of Don White, president; Margaret Greenman, vice-president; Carl Lee, secretary, and Laura Gene Over, treasurer. In the spring, Barbara Fowler took over the office of president while Ray Jones, Lorraine McClelland and Ralph Price were respectively elected vice-president, secretary and treasurer. The year's work culminated in the first sports meet, several new clubs being formed, the annual Spring Fair, and a number of socials and enjoyable assemblies, such as old plays.

A high feeling of cooperation and a spirit of friendliness prevailed throughout the year.

## ★ PROMOTING ATHLETIC LEADERSHIP

MORGAN PARK'S athletes have given everyone of us something to be proud of this year. Our old records have been broken and new, better ones have been set by an excellent staff of fleet, tough, and courageous athletes.

In football, one of our boys was chosen for the all-section team, and in basketball two players received the all-section rating. In wrestling we sent three boys to Champaign to the state meet and took two state second places. While our 135 point wrestler fought his way to the city championship, Empehi's golf team won the city championship for the second time in three years. The junior swimming team is as good as ever. Last year's basketball team went to the play-offs for the city championship and this year's team has a good chance. The track team looks very good but hasn't been tested yet. The tennis team has an excellent chance with the three veterans returning and one of these a national junior doubles champ. The bowling league turned out a team which was the best in the city. Due to the fact that their handicap was so low, they didn't have much luck in the city championship matches. We, the sport fans of Morgan Park, congratulate the athletes on their great success this year.

# ATHLETIC LEADERSHIP

Mr. McGregor

Mr. Antonides

Mr. Taylor

UNDER the guidance of three expert coaches, Empehi's athletic teams rose to stellar heights during this past year. Robert Antonides piloted the football, wrestling, and late in the season, the swimming teams. Duncan McGregor headed the heavyweight basketball and baseball squads. Tom Taylor coached the wrestling, basketball, and swimming squads for the first part of the season, the golf, tennis, and track teams.

"Butch" Antonides, eleven years at Morgan Park, led his gridiron squad to victories over all the contenders for the South Section championship but the Fenger Titans. The grappling team also went places in city competition, defeated only by Crane Tech in the quarter finals.

Duplicating the wrestling team's performance, Coach McGregor's heavyweight hardwood quint reached the quarter-finals before meeting defeat. McGregor, who came to Empehi in 1937, left this year after nine years.

In 1939, the Mustang baseball nine won honors by reaching the playoffs for the city championship. The outlook in 1940 for Morgan Park's diamond future is bright, for the able hands of Coach McGregor could easily fashion a winning squad. With two first-string men back and several substitutes to fill in most of the vacancies, the pitching staff is the only doubtful spot.

Coach Tom Taylor, during his first year as coach of the golf team, brought Empehi another city championship of the links. The tennis, track, and swimming teams also benefited under his guidance.

### EMBLEM CLUB

DURING the past year the Emblem Club, under the capable leadership of Jim O'Dell, has been active about the school giving service wherever possible. This group, composed entirely of boys who have earned major emblems in some sport, has undertaken to keep order in the west lunchroom, where two tables are reserved for this organization. Gym officers have been provided to offer general help in both gymnasium and locker room. During the past year the Emblem Club has given two fine assemblies. Members of this group have co-operated by acting as hall guards 6a and 6b periods, by selling tickets to football and basketball games, and by acting as door girls at the new football sports events. For the purpose of the school spirit the boys have made appliques showing the "Mustangs" with the word "Mustangs" printed beneath. The popularity of the club has aided in promoting Morgan Park's extensive participation in its football thus interesting everybody in the game's progress.

It is the intent of the Emblem Club member to bring fame to Morgan Park both on and off the athletic field through activity, be it social or athletic.

The work of this organization shall always be directed towards the bettering of the school. Morgan Park are established to maintain a high standard.

## H E L E T I C      L E A D E R S H I P

MORGAN PARK 0-BLOOM 6

In this, the initial game of the season, Morgan Park's team was light and inexperienced for the most part. Despite these handicaps they let a superior Bloom team know that they were in a fight. The most spectacular play featured Bob Telander in a brilliant run that netted the "green and white" 62 yards. Warren Yaap led the backfield in net gains while Howie Heckman's blocking ability helped keep Bloom's score to a minimum.

MORGAN 18—THORNTON 0

Slightly more experienced and seeming to hit their stride, the Mustangs defeated a rather befuddled Thornton team. The touchdowns were scored by Bob Telander, Warren Yaap, and Fritz Minuth. However Ed Hedrick's block of a kick, Clarence Armstrong's recovery of a fumble, and Warren Yaap's unerring passes, were instrumental in all three scores. Due to a leg injury received in this game, Dinny Sproul was unable to participate in the remaining games.

MORGAN PARK 13—ELGIN 6

A decisive battle in this final practice game was fought when the game ended with Morgan Park leading 14-13. The team from the South Side had been playing well all day, but the last two quarters were dominated by Morgan Park. After a short drive, the team from the North Side was held at the 10-yard line by a series of penalties kept them from scoring. A few minutes later, Morgan Park scored two long runs by Warren Yarber and Jim Potts to tie the game. In the final minute, two long runs by Warren Yarber were stopped by Dick D. Beyer's come through with a thrilling 14-13 victory.

# ★ MORGAN PARK COMPLETES A

## THE CALUMET GAME

The Calumet game was a hard fought contest. The Mustangs began the game with a 10-0 lead. Mainly due to the fact that the Calumet team had no running back. The Mustangs scored again in the second quarter and remained untouched the rest of the game. After the two impressive victories the student body was enthused and turned out a thousand strong.

## MORGAN PARK 26—BOWEN 0

At the sound of the referees' whistle, a well organized Morgan Park team immediately took the offensive in the contest against Bowen, through the use of dazzling plunges and tricky reverse end plays. Bob Telander played exceptionally fine football and the Yaap-Hedrick combination clicked repeatedly despite the efforts of a desperate Bowen eleven. The experience gained in this game proved to be a great asset in the games that followed.

## MORGAN PARK 18—HIRSCH 6

Backed by four victories, a very confident Mustang eleven marched through a not too strong Hirsch defense. The pigskin took to the air, and with deadly accuracy, was effective in scoring all three touchdowns. Outstanding aerial artists of the day were Fritz Minuth and Warren Yaap, while pass snappers of note were Ed Hedrick, Buzz Hillman, and Julie Schmitt. Gains of twenty yards were frequently made, aided by the superior blocking of Johnnie Durrant and Frank Karge.

# SUCCESSFUL FOOTBALL YEAR ★

## MORGAN PARK 0—FENGER 31

A cool, drizzling rain did little to dampen the enthusiasm of the Morgan Park fans who turned out in great numbers to encourage their team. The game was a hard fought one, but Fenger's outstanding player, Alvin Karge, was the star. His skill and determination were the chief factors in the victory. The fighting team was greatly hampered by the weather, which counted for the lopsided score.

## MORGAN PARK 11—HARPER 0 ★

Slightly chagrined, but none the less confident, Morgan Park entered the only game of the season to be played in the Armory with splendid showing of student support. The first quarter yielded three points for Empehi by virtue of Frank Karge's 10-yard goal. An early advantage was given the Mustangs in the second quarter by recovery of fumbles by Frank Karge and Johnnie Durrant. Passes were frequently intercepted by both teams but the game was decidedly the Green and White's.

The marvelous snagging of a pass by Fritz Minuth further substantiated Morgan Park's cause. A touch-back later in the game, suffered by Harper, decided the final score.

# ★ GRIDDERS SHOW THEIR TEETH

## MORGAN 7—PARKER 0

The game was played on a rainy day with the muddiest field ever encountered by Morgan Park. Despite several scoring threats by Morgan Park no points were garnered until the last two thrilling minutes. As the close of the game drew near, the ball reached Parker's thirty-yard line. The ball, impossible, had already begun to disappear. However, the Mustangs lined up for a last minute attempt for a score, and as the ball was centered, Ed Heckman, through the defense, blocked the attempted kick. The ball went into the end zone, resulting in a touchdown for victory, and the only score of the game.

## MORGAN PARK 20—PULLMAN TECH. 6

Outstanding in his last game for Morgan Park, Captain Fritz Minuth tossed a twenty-nine yard pass to Buzz Hillman for the first score, and later scored a touchdown himself. Bob Telander scored in the final quarter of the game after Durrant blocked a kick, and Ed Hedrick recovered a fumble. Julie Schmitt, at quarterback, played super-smart football. Consequently as the gun went off ending the season's last game, we find Empeh terminating a very commendable football season.

# TO ONCOMING COMPETITION ★

CHIEFLY responsible for this highly successful season and usually in the starting line-up were: "Fritz" Minuth, captain, quarterback, and main spark of the team, whose brilliant headwork was the means of getting the team out of many a tight spot; Bob Telander, whose outstanding line plunges provided countless thrills for the onlookers; Warren Yaap, whose unerring passes and dashing runs were instrumental in many of the scores; Don Bruesch, whose spirited end runs and daring reverses netted the "Green and White" many a yard; these constitute the regular galloping backfield of the Empehi eleven. The regular forward wall of the Mustangs that made possible so many of the successful plays was composed mainly of "Buzzy" Hillman, who never failed to hang to those bullet-like passes, tight spot or otherwise; "Phil" Dickenson, whose superb blocking was the means of stopping many a would-be tackler; Warren Stromberg, who was a veritable "mountain of defense" and seemed always to be in on the tackles; "Eddie" Hedrich, whose deadly tackles stopped many an opponent before he ever got started; John Durante, whose consistently good blocking accounted for much of the efficiency displayed by the team; Clarence Armstrong, whose excellent pass-snagging played a large part in many of the games; Howie Heckman, whose perfectly executed blocks were a decided contribution to the outcome of the team; Frank Karge, whose solid tackles "nipped in the bud" many an opposing "yard-gaining crusade", and "Mike" Boorman, next year's captain, whose accurate and snappy center passes always got our backs off to a good start.

Although these boys did most of the playing and received the most compliments and congratulations, most people overlook the fellows that worked just as hard and desire just as strongly to be on the squad, "the fellow on the second string". At all the games he can be found eagerly awaiting the call of his name which will mean that at last he is to play. Falling into this category are: Jim O'Dell, Ivan Smith, Rawley Handbury, "Si" Schuffert, Julie Schmitt, Bob Martin, Bert Kullerstrand, Ralph Kruger, Keith Walker, Emmett Curme, Jack Powers, and "Doug" Grange. To these boys who, without gaining any recognition but who gladly took the place of the regulars often, we owe much gratitude.

You in the grandstands, watching eleven fellows working as one, seldom realize the grueling practice, the long sessions of practicing fundamentals and the countless number of scrimmages during six hard weeks of practice that go into the development of the team.

## HEROES OF THE GRIDIRON

## ★ OFFER OPPONENTS

OUR 1939-'40 basketball teams have just had a very successful season. Under the expert coaching of Duncan McGehee, the boys went all the way to the play-offs for the city championship while our girls, under Tom Taylor, ended up in a three-way tie for third place in the section.

Up to the day it ended, it was still a tie between Hirsch, the section champs, and Calumet each beat us on heart-breaking shots in the last minute.

When the season ended, Marin Park and Calumet were tied for second place in the section. Marin Park played Calumet again and this time won by a wide margin.

Wendell Phillips High School in the championship play-offs by 11 points, winning 54.

The lights had the most "hot" working team we've seen around here but due to a little hard luck they couldn't seem to click.

### BASKETBALL

## EMPEHI CAGERS

RISKEENS took his place on the court at the start of the game. He was one of the two players from Empire who were in the front line. The Empire and Monroe teams were the only ones of the day which had lightning speed and a great deal of skill. Monroe had the forward and guard effectively put down so that as it always has. Van Empehi, on the other hand, tried to get the ball away from the business world and his own. His skill was evident from the first. Mac Farley proved by record statistics to have done well by him.

K. Kinnar, Kinnar, was said to have been born with the knowledge of basketball. P. was able to play it effectively by his ability to see where the other fellow was, to pass the ball and then to recover when he did. In the third brilliant play of the game, Kinnar judged correctly that the ball would go to George Lincoln. Lincoln, after a series of passes, got the ball to the men. Bob A. was away in the thick of the fight and given a credit to the team. Bob James, Bill Wilson, both went in sets with good respectability part for our good record.

### BASEBALL

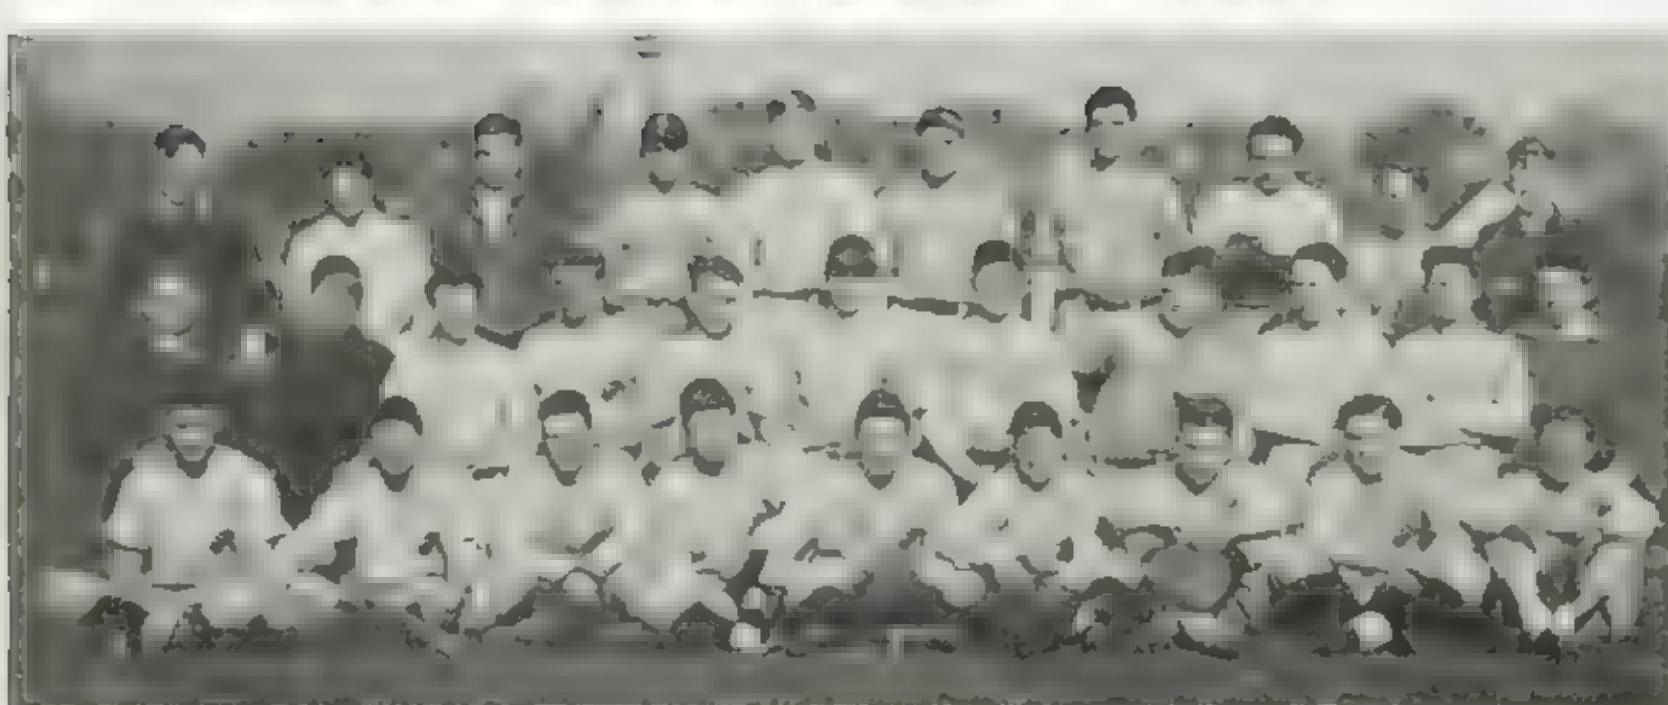

BASEBALL, like many other sports at Empehi, is always fairly successful. In the 1939 season, Morgan Park's diamond squad attained heights seldom reached by a Mustang team.

One day in the summer of 1939, nine boys from Empehi took the field against an equally successful Crane Tech team in the playoff game for the City finals. Led by Bernard Yursis, veteran hurler of Morgan Park baseball stardom, our team fought a losing battle for seven innings in an attempt to stop the hard-hitting Tech crew. The Central Section squad proved too much for the Green and White.

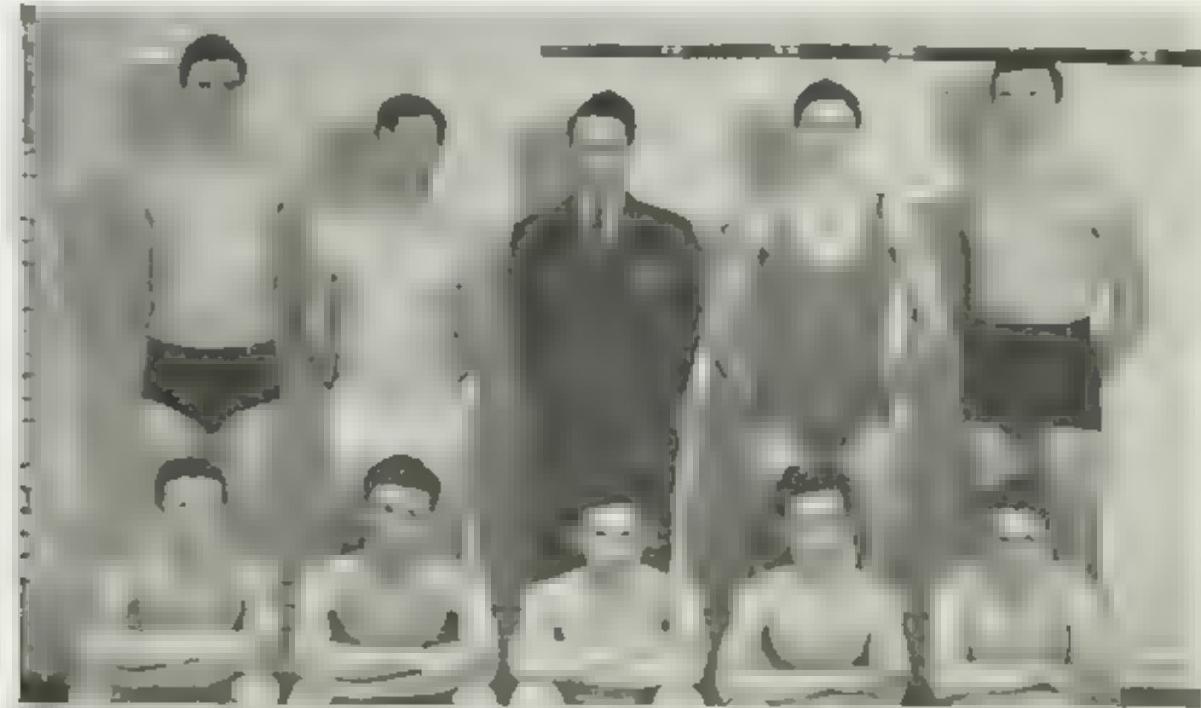

Morgan Park's only title was won in a season, with the world's only winning record during the Mustang squad. Local City boys, along with Parks and Hirsch, while the rest of Empehi took the rest of their contests in the Central Section division.

At the time of this writing the outlook for Morgan Park's 1940 section pennant chances are bright. Pitching seems a small problem as the discovery of rookies Mike Ferrante and Jimman filled the mound excellently.

SENIOR SWIMMING

JUNIOR SWIMMING

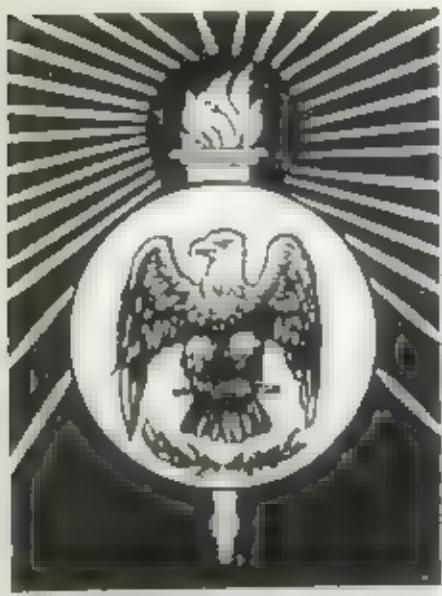

THIS year, as in recent years, the Junior team was one of the outstanding teams in the south section. Due to the ineligibility of two of the most excellent swimmers of Empehi, the Juniors were not as successful in later meets as they were at the beginning of the season. The spark plugs of the Junior team were Bob Graef, free style; Paul Skipworth, breast stroke, and Bill Thayer, back stroke. Ed Douglass, while swimming with the juniors, was an outstanding swimmer, and upon turning senior he kept up the good work.

The Senior team although not very successful during the season came through in the city meet held last April at Roosevelt High School. Lloyd Blakeman showing the greatest improvement of the season, placed fifth in the 200 yard free strok. Ed Douglas, Dave Minard, Bob McGonagil and Loyd Blakeman composing the regular team placed fifth.

The first edition of the State of Pennsylvania's first ever professional wrestling tournament was held at the Franklin Fair Grounds on May 25th. The tournament was organized by the Pennsylvania Federation of Professional Wrestling, featuring 12 of the best wrestlers from around the state. The tournament included matches between the likes of Grunt and Grunt, Big Boy and Little Boy, and the famous "Hulk Hogan and Andre the Giant" team. The tournament was a success, with many spectators in attendance. After the tournament, the Pennsylvania Federation of Professional Wrestling announced that they would be organizing another tournament in the future.

The team, paced by the great Ray Orwick, has won the championship for the third consecutive year. The team, paced by the great Ray Orwick, has won the championship for the third consecutive year. The stellar playing of Ray Orwick, Joe Azzarello, and Bob Martin, Morgan Park's three-man, has won the coveted title.

Ray Orwick, our number one man and captain, was the outstanding player. Bob Henry was the second best player of the championship match. He could always be depended upon to turn up just a few strokes lower than his opponent. Joe Azzarello was our third man. His drives between 250 and 300 yards every try, and his excellent green-work, brought us many points. Our number four man would have been a credit to any team. Bob Martin was the only member of the team to chalk up the maximum number of points in every match. In the city championship matches the Mustangs defeated Schurz by a score of 10-2 before nosing out Senn 7½-4½. In the final match against Lindblom, our boys came from behind and the city championship by a score of 7-5. We may well be proud of our golf team, the Champs!

### BOWLING

FINISHING its third consecutive year, Empehi's bowling team won the league title again. G. Grasshoff again set a mark in the city series with a winning 42 out of 44 games. The Zephyrs outclassed any other team in the city with a record of 37-11-1. The whole league was powered by Zephyr's strong abilities in an early season game where the Zephyrs took ten consecutive wins.

For the second consecutive year, the Spartans' bowlers were stopped in the first round of competition by the Micky Finns of Hirsch's Cheltenham League. High in Empehi's league, the Zephyr team series of 2963 holds second in the city standings, their record-breaking single game of 1065 ranks third in the city. Bob Zins' 624 series withstood the season's firing for the individual series mark. Bob Martin and Charles Baldridge deadlocked for the high individual game by toppling the maples for 236.

Medals were awarded to the first three teams in the league, gold to the Zephyrs, silver to the Spartans, and bronze to the third place Spark Plugs.

## ★ MILITARY — SCHOLASTIC RELATIONS

THE importance of the Reserve Officers Training Corps has been recognized by our statesmen and soldiers from the colonial days. The country looks to its educational institutions to furnish men of broad mind and well balanced education.

The R. O. T. C. had its beginning in the law of Congress, known as the Morrill Act, of 1862. Its purpose is to qualify selected students for positions of military leadership and appointment as reserve officers of the military forces.

In addition it helps to provide an electorate informed as to American tradition, ideals, and institutions, including the purpose and necessity of a sane policy of national defense.

The R. O. T. C. is a school for citizenship. It enriches our educational courses by affording a training of great value as a preparation for the callings of civil life. It lays a foundation for good citizenship by inculcating habits of precision and orderliness, discipline, self-control and resourcefulness; and by promoting good physique, correct posture, patriotism, and respect for constituted authority.

THE Morgan Park High School Reserve Officers' Training Corps, under the capable leadership of Sergeant V. A. Dennison, has done outstanding work and has reached great heights in the past years. Last year it was given honor school rating and announced as the third best R. O. T. C. unit in the city of Chicago.

Empehi has had the outstanding distinction this year of receiving two of its members in the top three positions of the city—an honor seldom obtained by any school. The positions were Cadets Lieutenant Colonel and Major.

Greatly responsible for the R. O. T. C.'s success is its splendid band. Instructed by Captain Guy D. Hartle, it has more than fifty members and is commanded by a drum major thrice National champion, Norman Erickson.

COMMEMORATING  
**THE THREE HUNDREDTH ANNIVERSARY  
OF PRINTING IN AMERICA**

The high speed press of the present day shown in the use is striking contrast with the more primitive printing methods which were used in the above printing which hangs in the Fred Klein Co offices.

Best of luck, Majorce.  
We've had some trying  
times in French, haven't  
we? Perhaps we'll meet  
again at the Main Building.
